August 31, 2018

Monterey County Elections invites you to join us in celebrating National Voter Registration Day, September 25, 2018.

## **What is National Voter Registration Day?**

National Voter Registration Day is an annual celebration in which thousands of private and government organizations unite to promote voter registration at the community level.

## **How can I participate?**

We would be delighted to have you and/or your organization listed as one of our partners to increase voter registration in our community. The partnership is easy, you can select one or all of the following options:

- Share Voter Registration Day information with your employees and clients (via email, social media, or on your website)
- Place a "Register and Vote" poster at your location
- Display registration forms at your location, or at one of your events

## **How can Monterey County Elections help?**

The success of this effort hinges on the involvement of community leaders. To that end, we offer a number of resources to make participation easy, including:

- Attractive posters advertising national voter registration day in English and Spanish
- Prepared messages for your social media, website or emails
- National Voter Registration day logo for your social media
- Registration materials in English and Spanish

National Voter Registration Day is September 25<sup>th</sup>; however, you can help engage our community by promoting voter registration all year long. Monterey County Elections will officially recognize all partner agencies.

Monterey County Elections is committed to strengthening our community through voter education and outreach; we hope you are too. To participate please complete the attached information form and email it to me, Greta Arevalo, at [arevalog@co.monterey.ca.us](mailto:arevalog@co.monterey.ca.us) or call me at (831) 796-1478. I look forward to working with you soon.

Sincerely,
