INCOMPATIBILITY OF OFFICES

The common law doctrine of incompatibility of offices prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties.

Government Code Section 1099 stipulates that if public officials hold two different public offices simultaneously, they must not have overlapping and conflicting public duties. Each position must be a “public office” in order for this code section to apply. In any case in which an incompatibility of office is determined, the person is “deemed to have forfeited the first office upon acceding to the second”.

GOVERNMENT CODE 1099

A person is not allowed to hold two public offices simultaneously if:

- 1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.
- 2) Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.
- 3) Public policy considerations make it improper for one person to hold both offices.

The Attorney General’s office has given numerous opinions on the subject of incompatible offices. If you have any questions about whether two public offices would be considered incompatible offices, contact your attorney, or the Attorney General’s office (<http://oag.ca.gov>).

Some examples as provided by the State Attorney General include:

1. The offices of city councilman and school district board member where the city and the school district have common territory.
2. Fire chief of a county fire protection district and a member of the board of supervisors of the same county.
3. Water district director and school district trustee having territory in common.

MCE does not have the authority to determine incompatible offices. Pursuant to Elections Code §10510, nomination documents may be issued to one candidate for separate offices provided those offices are in separate districts. In no way does this imply a determination to the compatibility of offices. Please contact the district offices for the offices of interest.

BALLOT DESIGNATIONS GUIDELINES

Each candidate must complete the ballot designation worksheet at the time the candidate files his/her Declaration of Candidacy. The worksheet is used in part to facilitate review of a candidate's proposed ballot designation. Ballot designations are governed by Elections Code Sections 13107, 13107.3, 13107.5 and the California Code of Regulations (CCR) Title 2, Division 7, Section 20711.

The ballot designation will appear on the ballot under the candidate's name, designating the current principal profession, vocation, or occupation of the candidate in three words or less. The listing of a designation on the ballot is OPTIONAL.

ELECTIONS CODE 13107(a)

Ballot designations become public once filed on the "Declaration of Candidacy." Ballot designations cannot be changed by the candidate after the final date to file for office.

ELECTIONS CODE 13107(g)

No title or degree shall appear on the same line on the ballot as the candidate's name, either before or after the candidate's name, in the case of any election to any office.

ELECTIONS CODE 13106

No political party, whether or not it has qualified for the ballot, shall be accepted as a ballot designation.

ELECTIONS CODE 13107(e)(5)

Format of Ballot Designation

A ballot designation may be an elective office title, officeholder status, or profession.

The following examples illustrate each type. Combining these types is not permitted.

- 1) Incumbent: The word "Incumbent" may be used if the candidate is seeking re-election to the same office and was elected to that office by a vote of the people or was appointed as a nominated candidate in lieu of an election.
- 2) Appointed Incumbent: The phrase "appointed incumbent" may be used if:
 - a) the candidate holds an office by virtue of appointment and is a candidate for the same office; or,
 - b) a candidate for the same or other office, the word "appointed" and the title of the office.

The phrase "appointed incumbent" is not required of a candidate who seeks reelection to an office that they hold and to which they were appointed in-lieu of an election.

Example A: Appointed Incumbent

- 3) Elective Office Title: Words designating the elective public office held, provided the officeholder was elected to the office.

Example A: Governing Board Member

- 4) Principal Occupation: 3-Word Profession/Occupation/Vocation - No more than three words designating the current principal professions, vocations, or occupations of the candidate.

Example A: High School Teacher

Example B: Attorney/Educator/Rancher

Example C: Businessman/Councilmember

- 5) Retired: The use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen profession, vocation or occupation. The following factors can help determine if you can use the word “retired”:
- a) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years.
 - b) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension.
 - c) The candidate has reached at least the age of 55 years.
 - d) The candidate voluntarily left his or her last professional, vocational or occupational position.
 - e) The candidate's retirement benefits are providing him or her with a principal source of income.

If a candidate is requesting a ballot designation that he or she is a retired elected official, the candidate must have previously voluntarily retired from elective office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word “retired” in his or her ballot designation.

A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

- 6) Community Volunteer: A Community Volunteer shall constitute a valid principal vocation or occupation subject to the following conditions:
- a) A candidate's community volunteer activities constitute his or her principal profession, vocation or occupation.
 - b) A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation or occupation.
 - c) A candidate is not engaged concurrently in another principal profession, vocation or occupation.

No Occupation Desired: If no ballot designation is requested, the word “NONE” and the candidate's initials must be written in the space provided for ballot designation on the Declaration of Candidacy form. The space provided for the ballot designation on the official ballot will be blank.

Unacceptable Designations

Designations will not be accepted if:

- It would mislead the voter.
- It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- It abbreviates the word “retired” or places it following any word(s) it modifies.

The candidate statement is designed to familiarize voters with a candidate’s qualifications for the office he/she is seeking, describing his or her education and qualifications. The statement may include the name, age and occupation of the candidate and a brief description of the candidate’s qualifications. The statement shall not reference others. The candidate statement is printed in English and Spanish.

ELECTIONS CODE 13307, 13308

Filing of the Candidate Statement

The *Candidate Statement of Qualifications* is due at the time of filing nomination papers. In addition to filing a hardcopy, candidates must submit the statement in an electronic, editable text format, to the following email address: CandidateServices@co.monterey.ca.us.

The candidate statement will be formatted to appear, as closely as possible, to the hardcopy filed. Statements are subject to the word counts and guidelines described in *Candidate Statement – Word Count Criteria*.

Restrictions

The candidate statement shall be limited to a “recitation of the candidate’s own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate’s qualifications, character, or activities,” and may not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

ELECTIONS CODE 13307(a)(1), 13308

A candidate must sign a statement if he/she chooses to withdraw the statement. A new candidate statement cannot be filed to replace a withdrawn candidate statement.

The candidate statement will remain confidential until after the close of the filing period for the office sought.

Word Count Criteria

The following are the guidelines for computing the word count for candidate statements.

- ✓ The word count begins after the headings “Occupation” and “Age”.
- ✓ In the event that occupation carries on to the second line, the word count will begin on that second line.

Each word in the candidate statement is counted as one word except below:

Punctuation	Punctuation is not counted.
Titles	Words used by MCE as part of a standardized heading, such as “Argument in Favor of Measure Z” or “Statement of Candidate for Mayor” are not counted.
Cities/Counties	All geographical names shall be counted as one word. For example, “Monterey County”, “City of Salinas”, “County of Santa Cruz”, and “City and County of San Francisco” are considered one word. The names of school districts, special districts and political subdivisions are considered geographical names as well. For example, “North County Fire Protection District” and “Monterey Peninsula Community College District” are each one word.
Proper Nouns	All proper nouns, including geographical names, shall be considered as one word; for example, “City and County of San Francisco” or “Salinas High School” shall be counted as one word. (Generic location terms such as “North County” or “South County” do not constitute proper nouns and each word will be counted separately)
Hyphenations	Hyphenated words that appear in any generally available U.S. dictionary published in the last 10 years shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word. MCE has a dictionary on hand and will reference this dictionary as the deciding factor.
Dates	Dates consisting of a combination of words and digits shall be counted as two words. Dates consisting of only a combination of digits shall be counted as one word. October 29, 2007 shall be counted as two words, whereas 10/29/2007 will be counted as one word.
Numbers	Any number consisting of a digit or digits shall be considered as one word (i.e., “100”). Any number that is spelled shall be considered as a separate word (“one hundred” is two words).
Phone & Internet	Website addresses or telephone numbers are one word.

CAMPAIGN DISCLOSURES

All candidates for state and local offices are required to file campaign disclosure statements. Additionally, any committee formed to support or oppose a candidate or ballot measure is required to file campaign disclosure statements.

The **Fair Political Practices Commission (FPPC)** is the authority on all matters relating to campaign disclosure. Questions and comments should be submitted directly to the Commission.

Contribution Limits set forth in the Political Reform Act of 1974 (AB-571)

On January 1, 2021, Assembly Bill 571 placed a limitation on contributions to a candidate for elective office in a city or county in which the local government has not established a limitation. Monterey County has not independently imposed limitations on contributions to candidates for elective offices in the jurisdiction. All candidates and/or committee controlled by that candidate **must** follow the contribution limitations established by the state. Further review of AB-571 is published here:

Campaign Disclosure Information Manuals

The Fair Political Practices Commission (FPPC) prepares campaign disclosure information manuals that provide information on who must file, when campaign statements must be filed, where statements are to be filed, etc. Current manuals are available at the FPPC website www.fppc.ca.gov. NetFile

The filing system, NetFile, is a web-based filing system that allows individuals to electronically track contributions and expenditures and submit campaign statements. Alternatively, most third-party campaign accounting systems will produce an electronic file that you may upload to NetFile and use to file your statements electronically.

A kiosk is available at the Monterey County Elections office to file, view, and print nonredacted statements. In addition, one-on-one trainings are available.

Terminating Your Committee

If you do not officially terminate your committee after the election, you will be required to continue to meet periodic filing deadlines, in addition, committees will continue to have to make an annual payment of \$50 to the Secretary of State's Office.

You may terminate your committee if:

(All the following criteria must be met.)

- You have filed all required campaign statements.
- Your final campaign statement has a \$0 balance.
- You do not anticipate receiving further contributions.
- You do not anticipate making further expenditures.
- You are not expecting a refund for filing or ballot statement fees paid from committee funds.

The following forms must be completed to terminate your committee:

In addition to checking the appropriate "Type of Statement" box, remember to check the "Termination" box on all termination statements. Please visit www.fppc.ca.gov or call 1-866-275-3772 if you have any questions about how to terminate your committee.

Successful candidates must file a Form 470 for the July 31 semi-annual filing each year if their public salary is \$200 or more/month. The form must be filed with your filing officer.

Late Filings

There are no provisions for granting "extensions" of the filing deadlines. If a candidate, officeholder, or committee is required to file a statement with MCE and has failed to do so by the deadline, MCE or the FPPC may provide written notice that the statement must be filed within 10 days (5 days for 2nd Pre-Election Statement) noting that a fine of may be levied.

Fines may not be waived if a statement is not filed within 10 days after specific notice is sent by the elections official (or 5 days for 2nd Pre-Election Statements). Failure to file a statement after appropriate notice will be referred to enforcement officials and can result in substantial criminal, civil and administrative penalties.

Multiple Committee Filing Requirements

Whenever a candidate or officeholder has more than one committee, whether the committees are formed for the same office, or a different office in the same jurisdiction, all committees must file statements each time a committee statement is due.

Whenever an elected officeholder in one jurisdiction runs for an elected office in another jurisdiction, the officeholder and all committees they control must file campaign disclosure statements with the filing officer in the jurisdiction in which the officeholder holds office and in which the officeholder is seeking office.

Recipient Committee Treasurer

Under California's Political Reform Act, a person or organization that receives contributions totaling \$2,000 or more in a calendar year to support or oppose state or local candidates or ballot measures qualifies as a recipient committee and must have a treasurer. STATEMENT OF RESPONSIBILITY INSTRUCTIONS

Dear Candidate or Committee Member:

In as much as you are a candidate for elective office or a proponent or opponent of a ballot measure, this reminder about local ordinances governing the placement of signs, including temporary political signs, in the unincorporated areas of Monterey County should be helpful to you.

There is a blanket prohibition against all inanimate modes of expression, including political signs, when erected or affixed to public property or utility poles.

However, the County of Monterey's regulatory scheme does permit placement of temporary political signs on private property, excluding commercial billboards, under conditions summarized as follows:

1. The property owner has given permission for the sign placement.
2. The sign is placed no earlier than sixty (60) days prior to the scheduled election and is removed within ten (10) days after.
3. A "Statement of Responsibility" has been filed with the Director of HCD certifying a person who will be responsible for the placement and removal of the sign.
4. The sign must comply with all building and zoning ordinances.

You may obtain copies of the ordinances related to the placement of political signs at HCD Planning.

Please pass this information along to those assisting in your campaign. "Statement of Responsibility" forms are enclosed for your use. Completed forms should be sent to the HCD - Chief of Planning, 1441 Schilling Place – South, 2nd Floor, Salinas, CA 93901. The forms may be delivered to HCD - Planning during normal business hours.

NO SIGNS MAY BE POSTED UNTIL A "STATEMENT OF RESPONSIBILITY" HAS BEEN RECEIVED BY THE HCD CHIEF OF PLANNING.

Because the ordinances direct removal of signs that do not comply with the ordinances and further direct the billing of the responsible party, we are calling these provisions to your attention to avoid possible embarrassment to you and your supporters.

Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

- A. Encourages a particular vote in a scheduled election.
- B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to:

Division of Traffic Operations
Outdoor Advertising Program
P.O. Box 942873, MS-36
Sacramento, CA 94273-0001

Temporary Political Signs shall not be placed within the right-of-way of any highway, or within 660 feet of the edge of and visible from the right-of-way of a classified "Landscaped freeway".

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment or inconvenience to you and your supporters. Please share this information with those assisting in your campaign.

Should you have any questions, comments or need additional information, please call (916) 654-6473.

COMMON QUESTIONS AND SITUATIONS

Filing of Nomination Papers

If a candidate is unable to file in person, he/she may designate a person to act on his/her behalf. A written statement, signed and dated by the candidate, authorizing a person to receive the “Declaration of Candidacy” form and all other nomination papers from MCE is required. Candidates may obtain the “Authorization Form” at MCE. If the candidate will not be filing in person, the “Declaration of Candidacy” must be notarized before filing. Because an original signature is required, nomination documents may not be filed by fax or email. The candidate’s designee may only receive and deliver papers and may not make any changes on the nomination documents.

ELECTIONS CODE 8028

How Names Appear on the Ballot

A randomized alphabet drawing is the basis for determining the order of the candidates on the ballot. Each candidate will be placed on the ballot in the order that each of the letters of his/her surname was drawn. For example, the placement of candidates with the surnames of Campbell and Carlson will depend on the order in which the letters M and R were drawn. Six calendar days after the end of the filing period, the Secretary of State conducts a drawing of the letters. For the June 4, 2024 election, the drawing will be conducted by the Secretary of State on:

- March 11, 2024 – School District Special Election

Election Night Activities

Election results are available on the internet at www.MontereyCountyElections.us, shortly after 8:00 p.m. on Election Night. Results are updated throughout the night. The canvass period may extend for up to 30 days after the election.

Post-Election Night

Beginning the day after the election, a complete audit of all returns is performed. All qualified uncounted Vote-by-Mail and provisional ballots are processed and counted. Additionally, all votes cast for qualified write-in candidates are counted. Elections Code requires the canvass to be completed within 30 days of the election.
