

Salinas City Elementary School District

Argument in Favor of Measure G

Our local elementary schools are our most important public asset. They teach our children critical skills and prepare students for high school and success in future careers. At the same time, **QUALITY SCHOOLS INCREASE LOCAL PROPERTY VALUES.**

Your YES vote on Measure G will improve our local schools with funds that will only be spent in our district and **CANNOT BE TAKEN BY THE STATE AND SPENT ELSEWHERE.**

Projects to be funded by Measure G include:

- Repairing and replacing deteriorating roofs
- Replacing leaking pipes and outdated plumbing infrastructure
- Replacing aging electrical wiring
- Repairing and renovating student restrooms
- Upgrading inefficient heating, ventilation and air-conditioning systems
- Renovating and modernizing classrooms and cafeterias throughout the district

Measure G ensures that tough legal safeguards will be put in place to protect local taxpayers by qualifying for **state matching funds**; requiring annual audits and independent taxpayer oversight of how funds are spent; prohibiting funds from going to administrators' salaries, pensions or benefits; and requiring that all funds be spent on our local schools and not taken by the state.

Let's protect our children, improve student achievement, enhance local property values AND safeguard taxpayers. Join business leaders, teachers, parents, guardians, grandparents and neighbors in voting YES on Measure G.
