

Argument in Favor of Measure K
Washington Union School District

Every child deserves to learn in quality school facilities. Your YES VOTE on Measure __ will prepare generations of our local children for future success. While our teachers and staff do a great job educating local students, many classrooms and buildings in the Washington Union School District are outdated and inadequate to provide students with the school facilities they need to succeed. NO other funding currently exists to upgrade these facilities.

Our children need your **YES** vote on **Measure K!** Aging classrooms and facilities must be upgraded since many do not meet 21st century standards. A local school improvement measure would allow the District to continue improving the quality of education provided to local children. By investing in modernized facilities, we can help our students get the educational attention they deserve.

Measure K will improve our local elementary and middle schools by:

- Making security, safety and handicapped accessibility improvements
- Improving student access to computers and modern technology
- Repairing or replacing leaky roofs
- Modernizing outdated classrooms, restrooms and school facilities
- Making energy-efficiency improvements to reduce utility costs, including installing solar panels

Measure K makes financial sense and taxpayers are protected.

- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- All bond funds must be spent locally and cannot be taken by the State.
- Funds are required to be spent only on schools, not for administrator or teacher salaries.

Measure K will provide our students with the necessary facilities to help them excel in the 21st century.
Please **VOTE YES ON MEASURE K!**
