

Alejandra González

Occupation: School Secretary

Education and Qualifications:

I have lived in the North Monterey County community for the last 8 years and have grown to know the community as my family. After studying Sociology at UC Berkeley, I came home and worked with the homeless community as a Social Worker at The Salvation Army and later as a Family Services Specialist which brought me to my tenure as a School Secretary. Always interested in education, I have a vested interest in the success of schools and a passion for education.

As a Hartnell Community College board member, I represent the interests of our growing community and will do what is right for education. Together we need to assure the building of the North Monterey County Education Center. And, together we can make the Center a learning destination for all of North County. I will listen to and represent our entire Hartnell College community. It will be an honor to serve the community as a Board member and appreciate your support.
