

Ashley Stoddard has been deeply involved with art her entire life. She is the wife and mother of three kids. Ashley resides in Carmel with her family and co-owns Bennett Sculpture Carmel with her stepmother. As an artist and a business owner she seeks balance and flow in everything she does. She has a strong work ethic and is exceptional at problem solving. As a Council Member she will use these skills to serve Carmel-By-The-Sea's best interest.

She is the past Board Chair for the Carmel Chamber of Commerce and is active in the Carmel Sunset Rotary – whose mission is to empower the youth through the arts. In her community service she has been involved in many community projects such as the AIM youth Mental Health Ad Contest, Pointe of Art, Hearts of Carmel, Taste of Carmel, and connecting Carmel High school clubs and athletics with our business community to celebrate homecoming.

A Bohemian at heart Ashley will strive to honor the history of our community with the creative spirit and innovation that continues to make our home Carmel-By-The-Sea unique.
