Education & Qualifications

I am a lifelong, 64-year-old resident and active member of the community.

I hope to use my experience as a business owner, along with my accounting background as a link to help members of the community gain a more insightful understanding of our City Finances and other official business.

I am very fortunate to work with several Non-profit organizations and large businesses throughout Monterey County, this has taught me that through positive actions, willingness to listen and collaboration, common goals for the betterment of our community and or businesses are attainable.

I am excited to bring my proven history of setting goals and achieving them through hard work and determination to the City of Greenfield and my district if elected.
