Gonzales Unified School District Electoral Changes From At-Large to By-Trustee

The Gonzales Unified School District Board approved the transition to by-trustee area elections, where each trustee must reside within the designated trustee area boundary and is elected only by the voters in that trustee area.

When you vote this contest on the ballot, you will see the words “vote for one”; this means you may now only mark one selection to vote for the governing board member from your trustee area.

Trustee Area elections alternate every four years. Trustee Areas 2, 3, and 4 are scheduled for the November 2022 General Election. Trustee Areas 1 and 5 are scheduled for the November 2024 General Election. Contests will only appear on the ballot if there are more candidates than seats available.
